## Society Information

The Enhanced Recovery after Surgery Society (UK) was founded in 2010 following the 1<sup>st</sup> International ERAS Conference (Bristol, 2009) where a range of stakeholders indicated their interest in forming a multi-professional, multidisciplinary society. The aim of ERAS UK has always been to improve patient recovery after surgery by promoting knowledge, understanding and research regarding optimal outcomes

In 2016, ERAS UK signed a formal agreement, recognising its collaborative relationship with the International ERAS society, to become the UK chapter. In summer 2017, the society was incorporated as a community interest company (No: 10932208) to recognise our work as a not-for-profit social enterprise, using our assets for the good of the healthcare community in the UK.

The directors of ERAS UK are:

Dr Fiona Carter  
Professor Nader Francis (Chair)  
Professor Tom Wainwright  
Mrs Angela Balfour

The activities of ERAS UK are developed and monitored by a steering group, which includes the directors plus:

Professor Mike Grocott  
Dr David McDonald MBE  
Dr Rachael Barlow  
Mrs Imogen Fecher-Jones  
Mrs Deirdre Cunningham
